CC 9068 App

Voice-controlled **Bluetooth®** hands-free device
with Smartphone app and battery charge function
for your mobile phone

CC 9068 App

Voice-controlled *Bluetooth*® hands-free device with Smartphone app and battery charge function for your mobile phone

Advantages:

-  **DialogPlus voice control** – extremely accurate, rapid reaction word recognition without voice training and with visual and acoustic user support
-  **Unlimited music enjoyment** – thanks to the direct playback of music¹ and an integrated 30 Watt digital amplifier
-  **Including Smartphone cradle** – for the optimum display and operation of the apps
-  **BURY App** – your smartphone turns into a control unit
-  **Battery charging function for your mobile phone** – guarantees unlimited talk time in your car

¹Works out of the box

For virtually all new smartphones

Scope of delivery:

1. Electronic box
2. BURY ChargingCradle with GSM antenna
3. Microphone
4. ISO cable harness
5. Extension cord
6. AUX-In cable
7. Micro USB charging cable
8. Quick guide

In detail:

- **Can be adapted flexibly** – with optional display for CC 9068
- **Multipoint function** – connect two mobile phones with the system simultaneously
- **Magic word** – activation of the voice control with a single voice command
- **Text-to-speech¹** – reads out text messages, Blackberry e-mails and phone book entries aloud
- **Voice Dialling**
 - The separate **level-adjustment of the microphone and the speakers** via the HFCK menu
- **Make several phone calls at the same time** – hold calls and switch between them, conference calls with up to 7 participants¹
- **MP3/music playback** from your mobile phone through the car hifi system^{1,2}
- **Display shows contacts, call log, battery level, reception quality, name of network provider and handset name¹**
- **Charger included** – for mobile phones with micro-USB connection

¹The scope of the functions may vary according to Smartphone / mobile phone, network provider and software version.

²by connecting the LINE-OUT cable to the car radio
